

Advanced Disposal

Islamorada Residential Service Schedule

Office 305- 853-3433 Bruce.Williams@advanceddisposal.com

Islamorada’s automated residential service provides carts for household solid waste removal; **one green cart for household waste/trash** and **one blue cart for household recyclable items**.

Set your carts within six (6) feet of the pavement by 6:00 AM for pick-up on your scheduled day, and then remove your carts from the roadside within 24 hours of being serviced.

Trash and recyclable items placed in any other containers will be “tagged” with instructions for proper disposal.
