## NOTICE OF HEARING TO REIMPOSE AND PROVIDE FOR COLLECTION OF ASSESSMENTS FOR WASTEWATER COLLECTION AND TREATMENT FACILITIES FOR NORTH PLANTATION KEY AND NORTH PLANTATION KEY SUPPLEMENTAL

Notice is hereby given that the Village Council of Islamorada, Village of Islands, will conduct a public hearing to consider reimposing assessments for the Fiscal Year beginning October 1, 2024, against certain properties located within the North Plantation Key Assessment Area as shown above, to fund Wastewater Collection and Treatment Facilities provided to such properties and to authorize collection of such assessments on the tax bill.

The public hearing will be held at 5:30 p.m. or as soon thereafter as possible on August 7, 2024, at Founders Park Community Center, 87000 Overseas Highway, Islamorada, Florida, for the purpose of receiving public comment on the proposed assessments. All affected property owners have a right to appear at the hearing and to file written objections with the Village Council within twenty (20) calendar days of the date of this notice. If a person decides to appeal any decision made by the Village Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Village Clerk at (305) 664-6412, at least seven (7) days prior to the date of the hearing.

The total annual assessment revenue to be collected within the Village of Islamorada for the upcoming fiscal year for the North Plantation Key Assessment Area is \$37,000 and for the North Plantation Key Supplemental Assessment Area is estimated to be \$2,400.

The maximum annual rate of assessment for the North Plantation Key Assessment Area for the upcoming fiscal year commencing on October 1, 2024, and future fiscal years shall be \$105.96 per EDU and a maximum annual rate of assessment of \$340.55 per Connection.

The original rules established for the North Plantation Key Assessment Area assigned one equivalent dwelling unit (EDU) to each single-family tax parcel and 0.8 EDUs to each multi-family dwelling unit. In 2009, the Village Council decided to provide for a uniform set of rules for the calculation of wastewater assessments throughout the area. The uniform rules assign one (1) EDU to each single-family dwelling unit and one (1) EDU to each multi-family dwelling unit. The application of the uniform rules to the North Plantation Key Assessment Area produces supplemental assessment amounts for affected properties. The supplemental assessment for each affected parcel of property is based upon the number of additional EDUs attributable to the property based on the uniform rules (one (1) EDU for every additional single-family dwelling unit and 0.2 EDUs for each multi-family dwelling unit). The annual assessment will include your share of the principal, interest, and collection costs. The maximum annual assessment is estimated to be \$132.00 per EDU (which equals \$26.40 for each multi-family dwelling unit and \$132.00 for each additional single-family dwelling unit) for Fiscal Year 2024-25 and future fiscal years.

If you have any questions, please contact the Village at (305) 664-6446, Monday through Friday between 8:00 a.m. and 5:00 p.m.

The assessments will be collected on the ad valorem tax bill to be mailed in November 2024, as authorized by section 1973632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

Marilyn Monroe and her Brentwood home, Traci Park, the area's council representative, said before the vote.

Monroe bought the house for \$75,000 and died there just months later on Aug. 4, 1962, from an apparent overdose. The current owners, Brinah Milstein and Roy Bank, bought the house for \$8.35 million and obtained a demolition permit but ran into opposition.

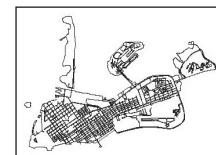

They contend the house has been changed so much over the years that it no longer is historic, and that it has become a neighborhood nuisance due to tourist traffic.

The process that led to the designation was "biased, unconstitutional and rigged," Peter C. Sheridan, an attorney for Milstein and Bank, said in a statement to The Associated Press.

The current owners live next door and wanted to raze the house in order to expand their estate. The council, however, was unanimous in moving to save it.

"There's no other person or place in the city of Los Angeles as iconic as

the house," Sheridan asserted that Park and her staff were not responsive to the owners' efforts to find a solution and ignored opposition by civic and homeowners' groups.

## NOTICE OF HEARING TO ADJUST SANITARY SEWER SERVICE RATES

Notice is hereby given that the City of Key West, will conduct a public hearing to consider adjusting Sanitary Sewer Service Rates for the Fiscal Year beginning October 1, 2024, for properties located within the incorporated area of the City, to fund the cost of Wastewater Treatment Plant, Sewer Infrastructure, Facilities, and Pump Stations providing service to said properties.

The public hearing will be held at a City Commission meeting at 5:00 p.m. on August 8, 2024, City Hall, 1300 White St., Key West, Florida, for the purpose of receiving public comment on the proposed adjustments. All affected property owners have a right to appear at the hearing and to file written objections with the City Commission within 20 calendar days of the date of this notice. If a person decides to appeal any decision made by the City Commission with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. It is the policy of the City of Key West to comply with all requirements of the Americans with Disabilities Act (ADA). Please call the TTY number at 1-800-955-8771 or for voice 1-800-955-8770 or the ADA Coordinator at 305-803-3811 at least five business days in advance for sign language interpreters, assistive listening devices, or materials in accessible format.
