Section 3. Approval of Stormwater Assessment Roll. The Stormwater Assessment Roll, which is currently on file in the office of the Village Manager and incorporated herein by reference, is hereby approved.

Section 4. Stormwater Service Assessments.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the Village's provision of Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such parcel, computed in the manner set forth in the Initial Assessment Resolution. Adoption of this Annual Rate Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Initial Assessment Resolution from the Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Initial Assessment Resolution.

(B) The method for computing and apportioning the Stormwater Service Assessments described in the Initial Assessment Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2024, the Stormwater Service Cost of \$206,924.40 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net Equivalent Stormwater Units ("ESU"). An annual rate of assessment equal to \$32.00 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service

Assessments for Stormwater Management Services in the amounts set forth in the Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Assessed Property described in the Stormwater Assessment Roll.

(D) The above rates of assessment are hereby approved. Except as otherwise provided herein, Stormwater Service Assessments for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as approved herein, are hereby levied and imposed on all parcels of Assessed Property described in such Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2024.

(F) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles, and claims, until paid. ISLAMORADA VILLAGE OF ISLANDS**FLORIDA****FROM MILE MARKER 90.8 ON NORTH TO MILE MARKER 72.5 ON SOUTH****NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF
NON-AD VALOREM ASSESSMENTS FOR STORMWATER SERVICE**

Notice is hereby given that the Village Council of Islamorada, Village of Islands, Florida, will conduct a public hearing to consider reimposing Stormwater Service Assessments in the area receiving Stormwater Management Service from the Village, as shown above, and to authorize collection of such assessments on the tax bill. The hearing will be held at 5:30 p.m. or as soon thereafter as possible on August 7, 2024, at Founders Park Community Center, 87000 Overseas Highway, Islamorada, Florida. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Village Clerk at (305) 664-6412 at least seven (7) days prior to the date of the hearing. All affected property owners have a right to appear at the hearing and to file written objections with the Village Council. All written objections to the non-ad valorem assessments must be filed with the Village Council within twenty (20) days of this notice. Any person wishing to appeal any decision of the Village Council with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Stormwater Service Assessments are proposed to fund the Village's cost to provide Stormwater Management Service in the area shown above. The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The Village has determined that the average single-family residence in the Stormwater Service Area includes 3,322 square feet of impervious surface, which is defined as the "equivalent stormwater unit value" or "ESU Value." The annual Stormwater Service Assessment rate for the Fiscal Year 2024-25 and for future fiscal years will be \$32.00 for each Net ESU. The maximum annual Stormwater Service Assessment rate for Fiscal Year 2024-25 and for future fiscal years will be \$62.00 for each Net ESU. The total annual assessment revenue to be collected within the Village of Islamorada for the upcoming Fiscal Year is estimated to be \$206,000.

Generally, the number of ESUs was calculated individually for each parcel of property by dividing the impervious surface area by 3,322 square feet. Credit for privately maintained Stormwater management facilities and other factors affecting the quantity or quality of Stormwater runoff has also been applied, resulting in an assignment of Net ESUs. A more specific description is set forth in the amended and restated Initial Assessment Resolution adopted by the Village Council on August 9, 2007. Copies of the amended and restated Initial Assessment Resolution, the amended and restated Final Assessment Resolution, and the updated assessment roll are available for inspection at the Office of the Village Clerk located at 86800 Overseas Highway, Islamorada, Florida.

The Stormwater Service Assessments will be collected on the ad valorem tax bill to be mailed in November 2024, as authorized by Section 197.3632, Florida Statutes. Failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title to your property.

If you have any questions, please contact the Village at (305) 664-6446, Monday through Friday between 8:00 a.m. and 5:00 p.m.
