AGREEMENT

THIS IS AN AGREEMENT, dated the 8th day of October, 2024, between:

ISLAMORADA, VILLAGE OF ISLANDS

a Florida municipal corporation, hereinafter "**VILLAGE**,"

and

Aqua Waste Repairs, Inc.

A corporation, authorized to do business in the State of Florida, hereinafter "**CONTRACTOR**."

WITNESSETH:

In consideration of the mutual terms and condition, promises, covenants, and payments hereinafter set forth, VILLAGE and CONTRACTOR agree as follows:

Article I. PREAMBLE

In order to establish the background, context and form of reference for this Agreement and to generally express the objectives, and intentions, of the respective parties herein, the following statements, representations and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

Section 1.01 The VILLAGE is in need of an independent experienced contractor to complete the Canal 132 Restoration Gravity Infiltration Well Project in a timely and responsive timeframe (the "Project").

Section 1.02 On July 24, 2024, the VILLAGE issued Request for Proposals No. 24-14 for the Project, including all Exhibits and Addenda (the "RFP").

Section 1.03 On August 26, 2024, the VILLAGE received a proposal from CONTRACTOR, for completion of the Project as expressed in the RFP.

Section 1.04 The evaluation committee evaluated and ranked the proposal in accordance with the RFP and determined that CONTRACTOR was the highest ranked, responsive and responsible proposer for the Project.

Section 1.05 On October 8, 2024, the Village Council of Islamorada, Village of Islands (the "Village Council") adopted Resolution No. 24-10-105, awarding the RFP to CONTRACTOR and authorizing the Village to negotiate and execute this Agreement with CONTRACTOR for the Project.

Section 1.06 VILLAGE and CONTRACTOR desire to enter into this Agreement for the completion of the Project in accordance with the RFP and on the schedule set forth in ARTICLE 3 entitled "TIME FOR COMPLETION".

Article II. SCOPE OF WORK

Section 2.01 CONTRACTOR shall furnish all necessary expertise, personnel, tools, materials, equipment and supervision, to perform all of the work for the Project described in the RFP, and the Proposal, a copy of which is attached hereto and specifically made a part of this Agreement as Exhibit "A".

Section 2.02 CONTRACTOR hereby represents to VILLAGE, with full knowledge that VILLAGE is relying upon these representations when entering into this Agreement with CONTRACTOR, that CONTRACTOR has the professional expertise, experience and personnel to perform the services to be provided by CONTRACTOR for the Project pursuant to the terms of this Agreement.

Section 2.03 CONTRACTOR assumes professional and technical responsibility for performance of its services to be provided hereunder in accordance with applicable recognized professional standards.

Section 2.04 None of the work or services under this Agreement for the Project shall be subcontracted by CONTRACTOR, unless CONTRACTOR obtains prior written consent from the VILLAGE. Approved subcontractors shall be subject to each provision of this Agreement and CONTRACTOR shall be responsible and indemnify the VILLAGE for its subcontractors' negligent acts, errors or omissions.

Article III. TIME FOR COMPLETION

Section 3.01 The CONTRACTOR shall commence work as directed by the VILLAGE and in accordance with a Project Timeline. The Project Timeline shall be based upon the timeline as stated in Exhibit "A" to this Agreement as may be modified and agreed upon during negotiation of this Agreement and provided as Exhibit "B". CONTRACTOR shall complete all work in a timely manner in accordance with the Project Timeline or be subject to liquidated damages pursuant to Section 3.03.

Section 3.02 Anything to the contrary notwithstanding, minor adjustment to the Project timeline for completion approved by VILLAGE in advance, in writing, will not constitute a delay by CONTRACTOR. Furthermore, a delay due to an Act of God, fire, lockout, strike or labor dispute, riot or civil commotion, act of public enemy or other cause beyond the control of CONTRACTOR shall extend this Agreement for a period equal to such delay and during this period such delay shall not constitute a delay by CONTRACTOR.

Section 3.03 VILLAGE and CONTRACTOR recognize that time is of the essence with respect to the completion of the Project and VILLAGE would suffer financial loss if the Project is not completed within the time specified in the timeline for completion set forth in Exhibit "A" as mentioned above, subject to adjustments of such timeline as approved by the Village as provided in the RFP and Proposal. VILLAGE and CONTRACTOR also recognize the expense and difficulties involved in proving with reasonable certainty the actual loss or damage suffered by VILLAGE if the Project is not completed on time. Accordingly, in lieu of requiring any such proof, VILLAGE and CONTRACTOR agree that, as liquidated damages for delays, or early termination of the

Agreement, CONTRACTOR shall pay VILLAGE, in addition to any other damages and/or remedies to which VILLAGE may be entitled, the dollar amount equal to six one hundredths of a percent (0.06%) per day of total Contract Price (as defined below) for each calendar day within the first fifteen (15) days after the final completion date set forth in the timeline where the CONTRACTOR fails to reach final completion in accordance with the RFP and Proposal attached hereto as Exhibit "A" or in the event of early termination of the Agreement, for each calendar day within the first fifteen (15) days from termination to the stated completion date. For each calendar day after the first fifteen days following the final completion date provided in the timeline where the CONTRACTOR fails to reach final completion in accordance with the RFP and Proposal the VILLAGE shall be entitled to the dollar amount equal to one tenth of one percent (0.1%) per day of total Contract Price until the CONTRACTOR achieves final completion with respect to a delay or in the event of earlier termination of the Agreement, for each calendar day after the first fifteen days from termination to the stated final completion date, the Village shall be entitled to the dollar amount equal to one tenth of one percent (0.1%) per day of total Contract Price. CONTRACTOR further agrees that the amount of liquidated damages assessed pursuant to this paragraph is reasonable and does not constitute a penalty. Although the parties recognize the difficulty of proving the loss or damage suffered by the VILLAGE due to delay or early termination, the CONTRACTOR acknowledges and agrees that the amount of liquidated damages approximate the loss anticipated at the time of execution of this Agreement.

Article IV. CONTRACT PRICE, GUARANTEES AND WARRANTIES

Section 4.01 The VILLAGE hereby agrees to pay CONTRACTOR for the faithful performance of this Agreement, for work completed in accordance with the Proposal attached hereto as Exhibit "A", and as directed by VILLAGE. Prices for work completed by the CONTRACTOR shall be as reflected in Exhibit "A". A total contract price hereto is referred to as Contract Price and shall not exceed **Four Hundred Thirty-Nine Thousand and no/100 Dollars (\$439,000.00)**.

Section 4.02 The VILLAGE will make payments to CONTRACTOR for completed and proper work and in the amounts stated in Exhibit "A" in accordance with the Local Government Prompt Payment Act in Chapter 218, Florida Statutes.

Section 4.03 The CONTRACTOR shall guarantee all portions of the Project against poor workmanship and faulty materials for a period of twelve (12) months after final payment and shall immediately correct any defects which may appear during this period upon notification by VILLAGE.

Section 4.04 The CONTRACTOR shall specify warranty duration and guidelines, inclusions and exclusions for all products.

Section 4.05 The making and acceptance of the final payment shall constitute a waiver of all claims by the CONTRACTOR other than those arising from requirements of the specifications.

Section 4.06 CONTRACTOR is prohibited from placing a lien on the Village's property. This prohibition applies to; *inter alia*, all sub-contractors and suppliers and labors.

Article V. CONTRACTOR'S LIABILITY INSURANCE AND BONDS

Section 5.01 The CONTRACTOR shall not commence work under this Agreement until CONTRACTOR has obtained all insurance required under this Article and such insurance has been approved by the VILLAGE nor shall the CONTRACTOR allow any Subcontractor to commence work on his sub-contract until all similar such insurance required of the subcontractor has been obtained and approved.

Section 5.02 Certificates of insurance, reflecting evidence of the required insurance, shall be filed with the VILLAGE prior to the commencement of the work. These Certificates shall contain a provision that coverage afforded under these policies will not be canceled until at least thirty (30) days prior written notice has been given to the VILLAGE. Policies shall be issued by companies authorized to do business under the laws of the State of Florida.

Section 5.03 Financial Ratings of the insurers must be no less than "A" in the latest edition of "Bests Key Rating Guide", published by A.M. Best Guide.

Section 5.04 Insurance shall be in force during the term of this Agreement. In the event the insurance certificate provided indicates that the insurance shall terminate and lapse during the period of this Agreement, then in that event, the CONTRACTOR shall furnish, at least thirty (30) days prior to the expiration of the date of such insurance, a renewed certificate of insurance as proof that equal and like coverage for the balance of the period of the Agreement and extension thereunder is in effect. The CONTRACTOR shall not continue to work pursuant to this contract unless all required insurance remains in full force and effect.

Section 5.05 Comprehensive General Liability insurance to cover liability bodily injury and property damage. Exposures to be covered are as follows: premises, operations, products/completed operations, and certain contracts. Coverage must be written on an occurrence basis, with the following limits of liability:

- (a) Workers' Compensation Insurance – as required by law;
- (b) Comprehensive General Liability Insurance, including Premises Operation, Products and Completed Operations, Blanket Contractual Liability, Personal Injury Liability, Expanded Definition of Property Damage - \$1,000,000 combined single limit;
- (c) Automobile Liability Insurance - \$300,000 per occurrence, \$300,000 per Accident for bodily injury and \$1,000,000 per accident for property damage; and
- (d) Pollution Liability Insurance \$1,000,000 per claim and in the aggregate
Contractor shall purchase and maintain pollution liability insurance against claims for damages arising out of the assessment, removal, remediation, transport and/or handling of hazardous materials, including but not limited to mold, asbestos, and lead. The policy shall include a minimum limit of not less than \$1,000,000.00 per claim and in the aggregate. Said pollution liability policy shall include and list as additional insureds the Village, include coverage for its respective officers, directors, members, partners,

employees, agents, consultants, and subcontractors of each and any of all such additional insureds; and, the insurance afforded to these additional insureds shall provide primary coverage for all claims covered thereby (including as applicable those arising from both ongoing and completed operations) on a non-contributory basis.

Contractor shall obtain all necessary endorsements to support these requirements.

The insurance provided by the contractor shall apply on a primary basis. Any insurance, or self-insurance, maintained by the Village shall be excess of, and shall not contribute to, the insurance provided by proposer.

The insurance maintained by the contractor shall apply on a first dollar basis without application of a deductible or self-insured retention. The contractor shall pay on behalf of the Village or the Village's council members, officials, officers, agents and employees any deductible or self-insured retention applicable to a claim against the Village or the Village's council, officials, officers, agents and employees.

Section 5.06 The CONTRACTOR shall hold the VILLAGE, its agents, and employees, harmless on account of claims for damages to persons, property or premises arising out of CONTRACTOR's negligent operations in completing the Project and name the VILLAGE as an additional insured under their policy.

Section 5.07 The VILLAGE reserves the right to require any other insurance coverage it deems necessary depending upon the exposures.

Section 5.08 Bonds. If required by the VILLAGE, prior to performing any portion of the Scope of Work the CONTRACTOR shall deliver to VILLAGE the Bonds required to be provided by CONTRACTOR hereunder (the bonds referenced in this Section are collectively referred to herein as the "Bonds"). Pursuant to and in accordance with Section 255.05, Florida Statutes, the CONTRACTOR shall obtain and thereafter at all times during the performance of the Scope of Work maintain a separate performance bond and labor and material payment bond for the Scope of Work, each in an amount equal to one hundred percent (100%) of the Contract Price and each in the form provided in the Contract Documents or in other form satisfactory to and approved in writing by VILLAGE and executed by a surety of recognized standing with a rating of B plus or better for bonds up to Two Million Dollars. The surety providing such Bonds must be licensed, authorized and admitted to do business in the State of Florida and must be listed in the Federal Register (Dept. of Treasury, Circular 570). The cost of the premiums for such Bonds is included in the Contract Price. If notice of any change affecting the Scope of the Work, the Contract Price, Contract Time or any of the provisions of the Contract Documents is required by the provisions of any bond to be given to a surety, the giving of any such notice shall be CONTRACTOR's sole responsibility, and the amount of each applicable bond shall be adjusted accordingly. If the surety is declared bankrupt or becomes insolvent or its right to do business in Florida is terminated or it ceases to meet applicable law or regulations, the CONTRACTOR shall, within five (5) days of any such event, substitute another bond (or Bonds as applicable) and surety, all of which must be satisfactory to VILLAGE.

Article VI. PROTECTION OF PROPERTY

Section 6.01 At all times during the performance of this Agreement, the CONTRACTOR shall protect the VILLAGE's property and properties adjoining the Project site from all damage whatsoever on account of the work being carried on pursuant to this Agreement.

Section 7.03 If a court of competent jurisdiction holds the VILLAGE liable for certain tortious acts of its agents, officers, or employees, such liability shall be limited to the extent and limit provided in 768.28, Florida Statutes. This provision shall not be construed as a waiver of any right or defense that the VILLAGE may possess. The VILLAGE specifically reserves all rights as against any and all claims that may be brought.

Section 7.04 Nothing in this Agreement shall be deemed or treated as a waiver by the VILLAGE of any immunity to which it is entitled by law, including but not limited to the VILLAGE's sovereign immunity as set forth in Section 768.28, Florida Statutes.

Article VIII. INDEPENDENT CONTRACTOR

Section 8.01 This Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the CONTRACTOR is an independent contractor under this Agreement and not the VILLAGE's employee for all purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law. Each amendment shall at a minimum include the following information on the Project:

In the event that the CONTRACTOR abandons this Agreement or causes it to be terminated, for reasons other than the Villages breach of this Agreement, the CONTRACTOR shall indemnify the VILLAGE against any loss pertaining to this termination up to a maximum of the full Contract Price. All finished or unfinished documents, data, studies, plans, surveys, and reports prepared by CONTRACTOR shall become the property of VILLAGE and shall be delivered by CONTRACTOR to VILLAGE.

Renewal is required every three (3) years and should be requested a minimum of 45 days prior to the above expiration date.

If any changes occur within your company during the certification period such as ownership, affiliate company status, address, telephone number, licensing status, gross revenue, or any information that relates to your SBE Certification status, you must notify this office in writing immediately. It is imperative that we maintain current information on your company at all times.

We look forward to a mutually beneficial working relationship.

Sincerely,
